This course is a CaFE production and sponsored by the Bishops Conference in response to Pope Francis' Encyclical letter 'Laudato Si' Care for our common home. It's easy to feel disempowered by the problems climate change presents, but we know that we can make a difference and we know that now is the time to act. Global Healing will help us to think deeply, live wisely and love generously. We will show a short Trailer for this course on Sunday 2nd December in the hall during refreshments. Please sign up for this course on the clipboard in the church porch.
